Cole	Like	"Awesome work getting users/sessions finished so fast" "Has been doing all assigned work, has been taking extra responsibilities, and has been a great resource" "put lot of effort into this sprint, got users and sessions done." "Great job on users."	"Got stuff done early, and then just kept going! Awesome work!" "Very helpful and positive. Good work on images." "Gets work done and gives good advice" "Doing great! Keep up the excellent work."	"good work on lightboxes" "Provides great feedback and always does excellent quality work in a timely manner" "Getting some work done despite us all having obligations in other classes." "Awesome job getting stuff done despite having midterms!"
Cole	Improve			
Isaac	Like	"Good work on making themes and layouts" "Did quite a bit of work on user doc. Looks a lot nicer. Very happy with end result. Keep it up with the testing doc!" "Showing up at the end of the sprint."	"Lots of good work!"	**SCRUM master** "Extremely active during meetings. Keep up the good work!"
Isaac	Improve	"Need better communication."	"Where are you? We're in the lab frequently and often, come with questions if you need help. Show up at meetings." "Try to be a bit more involved with group, but I don't hold it against you." "Show up to scrum meetings. Do some work. Put in effort."	"do scrum master stuff" "Show up at meetings! Or at the least, let us know when you can't make it. Code more!" "We all need to get going on this Sprint (this isn't unique to you). Please try to get started ASAP. Users is very important for our release."
Jeremy (PO)	Like	"Continued work on the project" "Has been doing work and offering help" "Good work on themes" "Putting in tons of extra effort to put everything together. Happily helping out both (OASIS/HBI) groups in finalizing their project."	"Is continuing to do a lot of work on the project Keeping things on track!" "Good work on themes, really brings ideas to life. Same with audioext" "Helpful"	"good work on themes" "Good leader and resource for Fantom" "Great product owner. Held to what he wanted to keep included for the customer." "Helpful as always!"
Jeremy (PO)	Improve	"Can be nicer and less patronizing to fellow team members"		
Jono	Like	**SCRUM master** "More awesomeness as scrum master" "Active at many meetings and provides great feedback" "Keeping it real, letting everyone know what he is/isn't capable of completing considering his workload in other classes." "Still managing to find time to complete his user stories." "Good job on gallery."	**SCRUM master** "Continued awesomeness as scrum master!" "Stalwart defender of the House of Tree, Master of the Scrum. Always working, making excellent UIs and other contributions to the project." "Very active in meetings" "Good job on everything. Keep it up!"	**SCRUM master** "Great teamwork and communication" "Braved hordes of naked slugs stampeding the campus in the aftermath of a torrential downpour to fulfill his Scrum Master duty of maintaining an updated scrum board and burnup chart. A true Scrum Master." "Awesome job as scrum master! Way to show dedication to the team!"
Jono	Improve			"We all need to get going on this Sprint (this isn't unique to you)."
Josh	Like	"Active at meetings and provides great feedback" "doing work, son" "Stepping up with the presentation." "Wonderful powerpoint."	"Showing up at meetings, etc" "Very active in meetings" "Showing up to meetings and you have some content on your branch."	"Great worker and provides good feedback during meetings" "Thanks for volunteering to get the Doc stuff together. Keep it up!" "Did a little bit of work."
Josh	Improve	"Keep us in the loop sooner than immediately before the due date." "Need to do sample pages."	"Get some work done on the user manuals. Let us know what's going on." "Need to pick up the pace. Involve others with what you're doing."	"We all need to get going on this Sprint (this isn't unique to you)."
